Modern Therapy Online Peer Groups!

We understand the difficulties that you face as a mental health practitioner and believe that any clinician can benefit from engaging in peer consultation. By joining a Modern Therapy Peer Group you’ll improve therapeutic effectiveness, provide and receive practical suggestion, plus prevent isolation and burnout. Our groups are designed to reinforce and continue the education and training that you already have by placing you within a comfortable virtual group of like-minded professionals! Just go to ModernTherapy.online/peer-groups and click on the Submit link, fill out the form and at the bottom of the form, there is a space to enter the promo code which is ShrinkRap. You’ll get 10% off a peer group membership."
